THE POWER
OF INDEPENDENT ADVICE

PARTICIPATE AND YOU CAN WIN A CASH PRIZE R10 000!

DEAR VALUED INVESTOR,

In a very competitive financial services environment in South Africa, clients have come to expect exceptional levels of service, investment offerings, research and strategy. Although many similarities exist, all the companies operating in private client wealth management each have offerings somewhat different from competitors.

The esteemed research and publishing company Intellidex, will publish its fourth annual research report about the best private client wealth managers and private banks in South Africa later this year. The survey is conducted in three parts – by industry professionals, the Intellidex team and by clients of the companies.

BRENTHURST WEALTH will greatly appreciate your participation in the client survey, which this year, is presented in association with respected financial and business website, Moneyweb. AND, YOU CAN WIN R10 000 THROUGH YOUR PARTICIPATION. The winner of the R10 000 will be announced by Moneyweb and Intellidex in April.

The survey is managed on-line and only requires a few moments of your time.
